---

I notice that in the phone book there is an EMILE BARRE listed at 1925 Dauphine Street. It sticks in my mind that <sup>Cary</sup> CARY THORNLEY lived in this block when he was in New Orleans. CARY THORNLEY was seen in OSWALD'S company in the Bourbon House one night by BARBARA REED.

Is this the same BARRE listed in OSWALD'S notebook (and who may be a relative of his)? Can we corroborate CARY THORNLEY'S address while in New Orleans?
